SKILLS

Python | C | Java | Javascript
Data Structures | Algorithms
OOPS | Graph Theory
Machine Learning | Data Analyst
Natural Language Processing
Web Scraping
ExpressJS | NodeJs
SQL | MongoDB
HTML | CSS | Bootstrap

FAMILIAR WITH

Tableau | Computer Network |
C++ | Api | JSON | Selenium | OS

EDUCATION

Bachelor Of Technology

NIT Nagaland

2020-2014

Computer Science Engineering | 7.5 cgpa

Intermediate

L.S College Muzaffarpur

2018-2020 | 79.4%

Matriculation

Ram Pyari High School, Narma

2018 | 73.2%

LANGUAGES

English | Hindi

EXTRACURRICULAR ACTIVITIES

Cricket | VolleyBall |
cooking | Yoga | Traveling

STRENGTHS

Problem Solving
Critical Thinking
Team Player

RELEVANT PROJECTS

Multi-Language Text Extraction Using Image

Ocr | Machine Learning | Ongoing

- To extract text from images using easyOcr.
- Identify language of the text using naive Bayes algorithm.
- Translate the multilanguages into english language.
- Develop the user interface for the proposed model.

Crime Analysis Dashboard

Tableau

- Display an interactive map that allows users to visualize crime hotspots, filter by crime type, date range, and location. Utilize color-coding or heatmaps to indicate varying crime intensity levels.

Cricket World Cup Prediction

Machine Learning

- Developing a Cricket World Cup Prediction application leveraging web scraping tools like Selenium to extract real-time data from various cricket websites and APIs.
- Utilized machine learning algorithms to analyze historical match data, player statistics, and team performance to make accurate predictions for upcoming matches.

Digital College Library

NIT Nagaland

- Developed a web-based "Digital College Library" project in the group using PHP, MySQL, and Bootstrap, serving as a centralized platform for students to access a vast collection of resources.
- Implemented a secure and user-friendly interface for students to browse and download previous year's semester exam question papers, promoting efficient exam preparation and academic success.
- Utilized MySQL and PHP to create a robust database system, ensuring seamless organization and retrieval of educational materials, contributing to enhanced learning experiences for college students

ACHIEVEMENTS

Captain | NIT Nagaland Cricket Team | May.2022

- Consecutive Winner in inter College Tournament | Dimapur
- Inter-NIT Cricket Tournament

Gold Medal In Cricket on Annual Sports Day

Gold Medal In Tug Of War on Annual Sports Day

LEADERSHIP & PARTICIPATIONS

Organized Treasure Hunt in Ekarikthin | May.2022

Core TeamMember in Ekarikthin | May. 2022

Ekarikthin, the annual techno-Cultural Festival of NIT Nagaland

Organized Yoga Day on 21th of June

National Social Service, Organised Blood Donation Camp in institute, Volunteer
